

Shakotii'a'takehnhas — Those Who Help

We all face difficult situations at one time or another. KSCS is here to support you when you feel overwhelmed, stressed, or when you are in need of help or guidance.

Whatever problem, issue, or concern that you are dealing with, our team of highly skilled workers are here to help you to overcome personal issues to help get you on the road to personal wellness, be it through addictions, psychology, support counselling, or traditional approaches.

How Do I Access Services?

A call to reception asking for the INTAKE WORKER will put you in touch with Prevention and Support Services or you can walk in any time without an appointment.

The intake worker will take down relevant information and direct your request to the appropriate resource. Calls are processed and generally assigned within the next working day.
