**JOB DESCRIPTION SUMMARY**

Under the supervision of the Financial Controller, the Financial Services Administrator is responsible to provide Accounts Payable, Receivable, Trust Accounts and General Ledger services to KSCS.

With general management supervision, independently applies learned skills and knowledge associated with the job family to complete diverse, moderately complex assignments within defined policy and according to objectives.

Checks and verifies cost accounting, account payable records, prepares invoices and vouchers, types, files, posts ledger and general journal entries, and/or balances accounts payable and accounts receivable records. Uses office automated systems to input data, generate reports, conduct specialized research projects and respond to inquiries. May reconcile difficult accounts. May maintain a complete and systematic set of transactions in a specific phase of accounting.

Provides administrative support in the collections process. Prepares outstanding accounts reports and gathers credit and/or reference information. Maintains database by entering, updating, and retrieving data, as well as formatting and generating reports. Assists in resolution of outstanding invoice problems from past due accounts. Responds to inquiries from customers or external collection resources. May place calls or send messages to those with unresolved issues.

Decisions based on significant analysis & interpretation within policy. Modifies methods, techniques & procedures to achieve results. Has full autonomy to deliver to predefined accountabilities. Technical output is trusted as accurate & sound. Technical output is trusted as accurate & sound. Seeks consultation or guidance as needed.
